Complete the 4506-T Correctly and Avoid Rejection

March 14, 2014

Completing the IRS 4506-T accurately is critical in keeping the loan process moving forward without any unnecessary delays.

Now available on Impac's website are Instructions to assist you in providing the necessary information. Look for *Instructions – IRS Form 4506-T – Complete Correctly and Avoid Rejection* in the FORMS section at www.impactwholesale.com.

Note that the Account Managers are not able to make changes to an incorrect form. You will be required to provide a new 4506-T with the correct information before Impac can process the request.

If you have questions, please contact 855-GO-IMPAC (855-464-6722)
